Revenue

SCWC member and member club affiliation fees

All competitive and club swimmers, as defined by Swimming New Zealand (SNZ), must be registered with SNZ and SCWC and have paid their affiliation fees, before the swimmer can compete in a swimming competition.

SNZ and SCWC member affiliation fees are payable directly through the SNZ online my-page portal on the 1st July each year or when first registering as a competitive or club swimmer.

SNZ and SCWC member club affiliation fees are paid yearly directly through the SNZ online portal by each SCWC member club on the 1st July.

Unless otherwise stated all fees will be in New Zealand dollars and include goods and services tax.

On payment of registration and affiliation fees members and member clubs become affiliated members of SNZ and SCWC.

SNZ and SCWC review their affiliation fees annually prior to 1st July. Where timing of the review of SCWC fees differs and does not reflect new fees, actual fees payable will be confirmed at the time of payment.

Entry fees from swimming events

SCWC collects entry fees for SCWC-run swimming events. Affiliated members attending the swimming event pay entry fees directly online through the Swimming New Zealand web portal.

When an affiliated member cannot pay online, their club must manually enter the member and SCWC will invoice the event fees directly to the club.

The SCWC board shall consider the implications on cash flow of any large expenditure prior to committing to the expenditure.
